WORK EXPERIENCE

2021-present BHCONSULTATION, LLC, LANCASTER, OHIO

Own and operate a private behavioral health practice that provides direct counseling and assessment services to a broad range of client populations. Provide training and consultation to other behavioral health organizations.

2019-present E.B. EVALUATIONS, LANCASTER, OHIO

Conduct forensic psychological evaluations. Provide consultation on forensic mental health practice.

1989-2021 INDEPENDENT CONTRACT—Trainer/Consultant

Provide training and consultation services to child protective services, probation/parole departments, courts, and mental health agencies throughout Ohio and various states. Training focuses on the management and treatment of sexual offenders within the community as well as other general mental health issues. Aided in the development of training curriculum used statewide. Conducted well over 300 trainings.

2018-2021 FAIRFIELD COMMUNITY HEALTH CENTER, LANCASTER, OHIO

Served as Director of Behavioral Health Services, supervising 10 clinical mental health staff. Responsible for designing and integrating behavioral healthcare services into a Federally Qualified Health Center. Provided supportive counseling to 12 Medical Residents and provided training/consultation to a group of approximately 20 medical providers. Designed and implemented a broad behavioral health screening program, assessment program, biofeedback program and diabetes distress program while maintaining a traditional outpatient counseling program. Developed and implemented performance metrics for providers. Developed MS Access database for data extraction from electronic health records and conducted data analytics to identify target patient populations and to assess effectiveness of treatment.

2015-2019 OHIO PSYCHOLOGY BOARD, COLUMBUS, OHIO

Appointed by the Governor of Ohio to serve as a board member. Participated in developing administrative code governing the practice of psychology in Ohio. Assisted in administering oral examinations and approving new psychology licenses. Participated in review of disciplinary action against psychologists who have had a complaint filed against them. Served as president of board 2018 and

2019.

- 2015-2018 MID-OHIO PSYCHOLOGICAL SERVICES, INC., LANCASTER, OHIO**
Served as Senior Consultant. Functioned on executive team as consultant to aid in addressing organizational challenges, filled in supervision and provided limited direct clinical care in the form of evaluation services and specialized treatment services. Conduct trainings to agency staff and other professionals. Developed and implemented standards of care for use across the agency. Oversaw the development of custom electronic health record.
- 1992-2015 MID-OHIO PSYCHOLOGICAL SERVICES, INC., LANCASTER, OHIO**
Helped establish and functioned as Executive Director of non-profit community mental health agency providing psychological services to adolescents and adults in Fairfield County and surrounding areas. Responsible for maintaining compliance with Ohio Department of Mental Health and CARF rules and regulations, supervised staff, performed administrative oversight of daily organizational operations. Provided treatment, evaluation, and consultation for Children's Services, Juvenile Court, and foster care networks. Conducted forensic evaluations; specialized in evaluation of sexual offenders. Developed and implemented policies and procedures. Supervised staff of approximately 60 clinicians and 40 support staff in five locations. Oversaw budget of approximately \$3,500,000. Developed and implemented an American Psychological Association accredited internship program. Maintained a structured internship site for counselor students.
- 1997-2001 MID-OHIO MENTAL HEALTH SERVICES, INC., LANCASTER, OHIO**
Owner. Provided consultation and on-sight mental health services to the forensic population. Developed programs to meet the needs of special population groups. Conducted training and clinical supervision to other professionals who were expanding their area of competency in the areas of addiction counseling and sexual offender counseling. Conducted program evaluations of treatment programs.
- 1989-2004 MID-OHIO COUNSELING CENTER, INC., LANCASTER, OHIO**
Helped establish a private mental health treatment practice. Worked part time doing individual treatment of sexual offenders, adolescents and co-dependent women. Focused on developing an understanding of spirituality. Presented workshops on treating sexually deviant individuals. Consulted with Ohio Department of Rehabilitation and Corrections.
- 2003-2004 INDEPENDENT CONTRACT—Delaware County Juvenile Court**
Served as research coordinator for Federally funded project through the Center for Sexual Offender Management.
- 1994-2001 NETCARE INC., COLUMBUS, OHIO**
